QLD GOVERNMENT RAILWAYS – INDEX TO STAFF RECORDS 1878 – 1946

The Qld Government Railways employed a large number of people during the development of the Rail System and their records were kept in Staff Registers for many years. Ten Registers have been microfilmed by the Qld State Archives (QSA) and the films are available for research in the Public Search Rooms. Until now they have not been indexed and have been time consuming to research.

The Index contains the surname, given name, date of birth, date of hiring, QSA Register No and page number and list approximately 8,800 names. The Registers themselves have details of position, wages, areas of employment and in many cases interesting details in the remarks column.

This resource is available on CD-ROM and sells at \$33.00 (GST and p+p incl).
